

Caste:

The Origins of our Discontents

by Isabel Wilkerson

Thursday, December 9 at 7:30-9:00 PM

Pulitzer Prize winner Isabel Wilkerson unpacks how America has been shaped by a hidden caste system in *Caste: The Origins of Our Discontents*. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores why those who benefit from being on the top rung are invested in maintaining our hierarchical system, and how to find a way forward through our shared humanity.
