

Gilda's Club Westchester

Children, Teens and Families Program

The mission of Gilda's Club Westchester is to ensure that all people impacted by cancer are empowered by knowledge, strengthened by action and sustained by community.

Cancer affects the entire family...

Gilda's Club offers the area's only ongoing support for children and teens who are impacted by cancer through their own diagnosis, that of loved one, or the loss of a loved one. Our **FREE** program is designed to be a place for children and teens to learn, share and have fun, while being supported by our professional staff and trained volunteers.

Our programs include:

- Family Events
- Educational Workshops
- Healthy Lifestyle Programs
- Support Groups
- Short-Term Counseling
- Resources and Referrals

School-based Program

Gilda's Club Westchester offers free support to schools impacted by cancer throughout Westchester, Rockland and lower Fairfield counties through Gilda's **CLASS** (*Cancer Learning and Social/emotional Support*).

Gilda's CLASS offers:

- Consultations
- Interactive presentations/workshops
- Annual Cancer in the Classroom Symposium
- 1:1 support for faculty and families

How to get started...

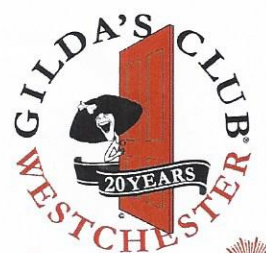

For more information on Gilda's Club Westchester's Children, Teens and Families Program, please contact Jaime Aker, LMSW:
