Seniors face a unique set of issues and challenges and it is important that we come together to discuss how we can advocate for ourselves and take advantage of opportunities and services tailored to our needs. Please join me for a Virtual Senior Forum featuring guest speakers who will get us up to speed on various topics of concern.

*At my Senior Forum in 2019 we learned about the benefits of chair yoga and practiced some stretches. I hope to see many of your faces this year on Zoom.*
