April 29, 2020

Dear Library Patrons,

In keeping with the Executive Order issued by Governor Cuomo directing all non-essential workers to work from home through May 15, **the library staff is still serving the community** remotely as the library building remains closed.

We will keep you up-to-date as the situation evolves. We ask that you do not return items to the library. All fines and holds have been suspended.

Please visit us at **BriarcliffManorLibrary.org** to see our full menu of offerings and services.

You can reach us by email to bmplibrarycirc@gmail.com or by phone to **(914) 941-7072**.

As always, we are available to assist you.
