

THE BRIARCLIFF MANOR PUBLIC LIBRARY • 1 Library Road • Briarcliff Manor, NY 10510

June 1, 2020

Good morning,

As you may recall, while the library building was closed, we had requested that you hold on to your library materials; no fines have been charged for these materials.

As of today, June 1, while the building remains closed, we will accept all Westchester Library System materials in our book drop if you feel comfortable returning them. These materials will be checked in after 72 hours, and you should see them come off your record. Again, no fines will be charged even if you decide to wait to return them.

And although the building remains closed, our programs continue online! Summer reading, book groups, virtual art exhibits, and more are available to all. Join us! To learn more about our programs, visit www.briarcliffmanorlibrary.org
