

Briarcliff Tutor Partnership

We offer free tutoring by the community, for the community where Briarcliff High School tutors can assist BMS/Todd students in learning this summer!

- Our tutors are flexible and can meet whenever your child is available in the summer.
- If you are in BHS, this is a great way to complete your community service requirement for next year before the school year even starts.

Sign up to volunteer or receive tutoring!

NOTE

This is an independent initiative by local high school students and not officially affiliated with Briarcliff Manor School District.
